The following are the student leaders that are initiating the program's strategic plan through development and management of key program activities that align to the mission and vision plan of the program.

Student Officers

Office	Student Name	Biography
Chapter President 5/22/19 - 5/20/20	Karly Guerrero	Hello! My name is Karly Guerrero and I am fortunate to serve as Kingsburg FFA's Chapter President this year. I am currently a Senior at Kingsburg High School. In the past four years, I have been involved in many aspects of FFA. This year, I am raising a Replacement Dairy Heifer for the Fresno Fair as one of my SAE projects. I have also raised a Market Goat and am the entrepreneur of my own community service garden box project. I enjoy competing in various Public Speaking contests, such as Job Interview, as well as being on the Floral Design CDE team. Being a part of Kingsburg FFA brings my heart pure joy: I am thankful to say that I have truly found myself and my "home" here in the FFA organization. I love leading our members, allowing them to find what they are passionate about in agriculture. I am truly inspired by how our organization shapes individuals into leaders, dedicated students, and vessels of change. This has rung true in my own life, as FFA has opened countless doors for me and allowed me to grow into the best, most genuine version of myself possible. As I lead my chapter, it is my hope and prayer that all of our members get to experience similar growth, in their own unique ways. Each and every member inspires me to be a light and leading example: They are part of the reason why I get up each morning with a smile on my face and joy in my heart. As I lead by example, I hope they too may be able to find passion, joy, and happiness in FFA.
Chapter Vice President 5/22/19 - 5/20/20	Taylor Trigueiro	My name is Taylor Trigueiro and I am serving as this years Chapter Vice-President. My CDE/LDE teams this year will consist of Dairy Products, Parliamentary Procedure, and Job Interview. I have also had the privilege of growing my passion for showing swine through my SAE projects. I have been raised around the agriculture industry my entire life. I've owned my own livestock since I was 9 and I've spent countless hours in the orchard with my dad. FFA is only another way I can grow my passion for agriculture and give back to the industry that has given me so much. My favorite part of serving as an officer is helping other members find a way to impact the Ag industry.
